MMR_0530 Lou Adler Lone Star Region Division Div 4

If anyone has a picture of Lou Alder, please send it to Indycop999@hotmail.com

Having just completed a move from cold Northern Idaho to the warmer SE, I finally have to totally re-design my layout, save for one major yard. I have the opportunity to model El Paso with a large industrial area on the opposite side of a wall from the yard.

Lou Adler is a Master Model Railroader (MMR) who has achieved the highest level of recognition in the model railroading community. The Master Model Railroader (MMR) title is awarded by the National Model Railroad Association (NMRA) to individuals who demonstrate exceptional skill, knowledge, and dedication to the hobby.

It's impressive to see enthusiasts like him contribute to the artistry and craftsmanship of model railroads!

It is the obligation, responsibility and duty of an MMR to educate, advise, assist, train Achievement Program (AP) participants. When a person earns an MMR, it is a new beginning with each MMR doing their part in promoting the hobby of model railroading to future modelers and all interested parties.
